● FDOMES CLASSIC ACCESSORIES

Choose one out of three membrane covers: completely white, white with transparent front section, or completely transparent, and enjoy your dome, all year round!

3 MEMBRANE OPTIONS

- Completely transparent cover
- White cover with transparent front
- Completely white cover

Depending on the membrane of your choice, you can turn your dome into a greenhouse, a chill-out lounge, an event space, a pop-up shop or even a trade-show booth.

2 FRAMEWORK FINISHES

By standard all framework elements are protected against corrosion with galvanization. For further improved visual appearance, we offer powder-coating in white.

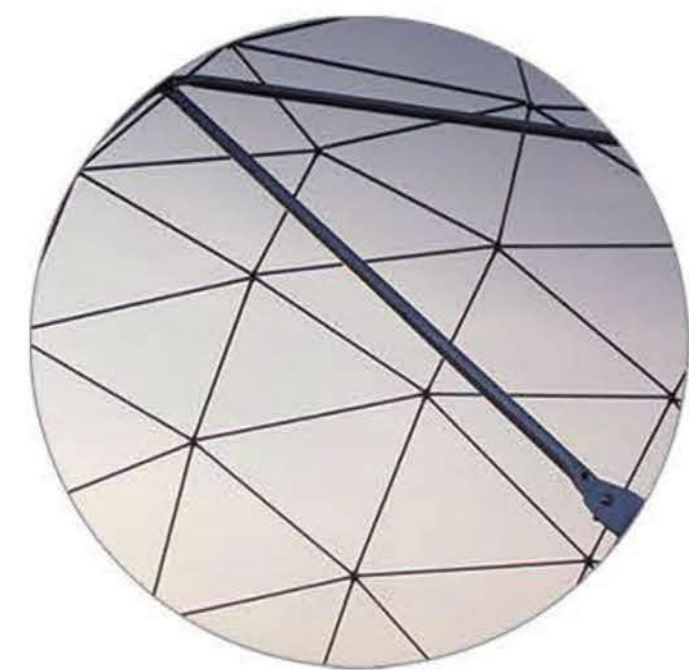

Silver (Galvanized Only)

White (Galvanized + Powder Coated)

● FDOMES GLAMPING ACCESSORIES

Discover our line of optional accessories engineered to enhance your glamping experience. Choosing the right accessories allows comfortable year-round use in any location and climate.

● **Framework Options**
In addition to the framework galvanization, a white powder coating further improves the visual appearance of your glamping dome.

● **Alum-Air Insulation**
Advanced fibre-free, non-allergenic and non-irritant insulation system with tailored canvas headliner for improved interior design.

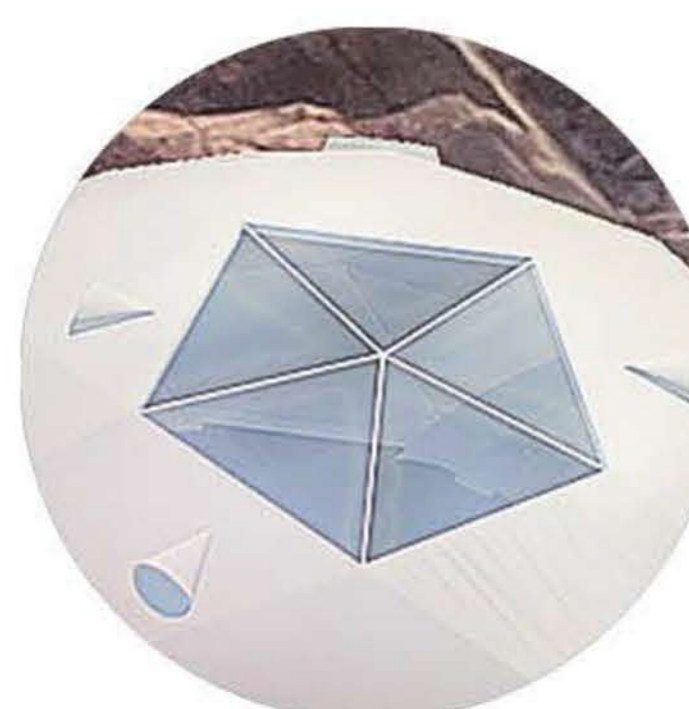

● **Polar Insulation**
Polar insulation lets you cut your heating and cooling costs by up to 90 percent. Boost your profits by hosting guests all year.

● **Solar Fan**
To assist passive ventilation system that comes with every dome, solar powered fan system further reduces heat build-up and a moisture condensation.

● **Entrance Choices**
Space-efficient diamond door or a regular aluminium-glass door for extra safety. Both can be fitted in the dome structure positions.

● **Windows**
Panoramic bay window, up to 5 porthole windows and a roof-placed skylight for more natural light, accessories slot and stargazing straight from a cosy bed.

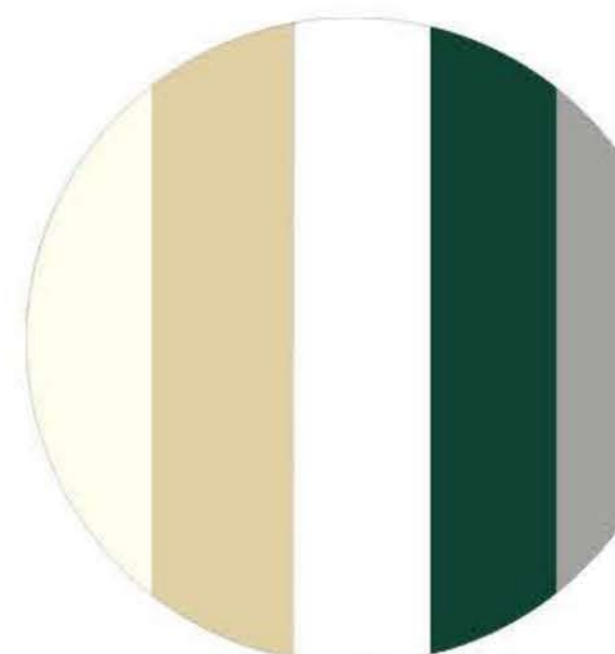

● **Chimney Kit**
150 mm diameter insulated chimney with a membrane mounting collar and an all weather cap is strongly advised if you wish to use a stove.

● **Wood Burning Stove Kit**
Steel chimney kit + 8 kW (nominal) modern steel/iron wood burning stove with a ceramic combustion chamber and a steel base-plate.

● **Curtain Kit**
Tailored fire-retardant curtain kit adds privacy to your dome, simultaneously insulating a front bay window of your glamping.

● **Membrane Colours**
Various colour options to make your dome and its environment matching. Perfect solution for every site where the architecture needs to complement the surroundings.

● **Bathroom Module**
A cleverly designed space with a shower, a washbasin and a toilet. Comfort has been addressed with a big mirror and smartly arranged cupboards, one of them additionally hiding a flow heater inside.

● **Kitchen Module**
Sleek and modern design, equipped with a sink, an electric heating plate and a small fridge. Chic cabinets make room for appliances making this galley kitchen blend into a living space.

● **Bedroom Module**
A show-stopping design, offering plenty of cupboard space for extra storage. A cozy and inviting bed facing the panoramic bay window makes the bedroom look and feel like a 5-star hotel.

● **Mezzanine Module**
A small ladder leads up to additional functional space. It can serve as a second bedroom or a leisure room. Decide on a skylight window and flood the space with natural light during the day, and enjoy a private planetarium at night.
